

WELCOME TO THE ENTER HUNGARY PAGE OF ENTERHUNGARY!

Dear Clients,

we hereby inform you that the following cases are exempt from payment of administrative fee:

- issue of residence permit or extension of residence permit of Ukrainian citizens
- issue of residence permit or extension of residence permit for purpose of studies, or employment of Belorussian citizens
- applications for issue or extension of residence permits for purpose of studies of those, who receive Hungarian State Scholarship e.g. Stipendium Hungaricum, or the ones who have for-study ministerial sponsorship

In the above cases, the administrative fee does not have to be paid off!

Dear Employers,

We hereby inform You that in order to report the beginning and the termination of employing a person who is a beneficiary of temporary protection a separate form is available under the case type "Announcement". We kindly ask you that regarding beneficiaries of temporary protection report the beginning and the termination of the employment solely by using the designated form! The National Directorate-General for Aliens Policing hereby thank you your cooperation by complying with the above mentioned rules.

This system helps you submit your application for a residence permit in Hungary electronically, without queuing. If you wish to enter Hungary or the Schengen Area from abroad, the Ministry of Foreign Affairs and Trade will help you.

You can submit your e-application as a private person or a preferred employer/temporary work agency, as well as a legal representative. You need to make a registration before submitting the first application. The registration procedure varies in the case of a

Menedékes regisztrálás (How to submit a simplified application for recognition)

As a private person

As a preferred employer or temporary work agency

By a legal representative

Related to the use of the website, the user guide includes a detailed description.

Back

Preparation of E-application and process of submission:

Create your own user account.

Enter your e-mail address and Registration other details requested in the registration datasheet. When registration is finished, we will send you your single use password. If you do not wish to use a computer for submitting your application, complete the application in a paper format, and submit it as usual.

Complete the datasheet stating the purpose of your residence then forward them to our office!

If details are found to be missing for processing your application, you will be asked via mail sent to your account to provide further information, shall comply with the instructions.

Print and sign the application.

Following this you will be informed of when you should visit our authority for data control. It is important that you bring the printed and signed application and the required documents with you at this time!

Related to the use of the website, the user guide includes a detailed description.
